

Frequently Asked Questions for T-Works fellowship 2022

What is the T-Works Fellowship program?

The T-Works Fellowship is a 12 months full time paid program based out of Hyderabad for creative individuals with a passion for the maker culture. Fellows will work on various projects and collaborate with stakeholders from government, corporate, educational institutions, start-ups, artists, and makers.

What is the working mode?

It is a work-from-office program currently. However, necessary precautions will be taken in view of the pandemic as and when needed.

How is the Fellowship structured?

The first few weeks will be spent learning about T-Works, the facility, existing programs, and conceptualizing new programs to accomplish the vision. The remainder of the fellowship will be spent executing the proposed plans. Fellows can work independently, with existing teams, or take complete ownership of a project or program.

What is the selection process like?

This will be a four stage selection process:

Stage 1: Initial screening based on candidates' application

Stage 2: Technical round

Stage 3: Interview with management and HR

Stage 4: Interview with the CEO

What is the tentative date of start of the program, if selected?

April 2022

What are the eligibility criteria for selection?

Preferred candidates should have a formal education in Engineering / Arts / Design / Management / Operations / with relevant hands on experience.

What are the different roles one can apply for?

Whether you like to sketch, design, model, prototype, experiment, cut, weld, drill, or just make things, you can contribute. Roles include, but are not limited to, Design, Firmware, PCB schematic and layout, UAV development, material sourcing, product and prototype development, project management, plant management, and marketing and communications.

Is there an age requirement?

Candidates should be 18 years and above to apply. We are looking for candidates with the right experience and skill base, rather than those who fit a particular age requirement.

Can we apply as a group or in pairs?

We select individuals, not groups or pairs.

Is it self-driven or do I get mentorship?

Depends on capability and role. Can be self-driven, can work under a mentor, can work in a team.

Does T-Works provide accommodation and transport facilities?

T-Works does not provide accommodation or transport . We can help you find suitable options to stay and commute.

After completion of the fellowship will there be an option of converting to a full time position with T-Works ?

Yes, based on performance during the year and feedback from stakeholders and leadership, an offer to convert to full time position may be made at the discretion of T-Works.
